EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims :

In claim 15, line 15, change "third" to --first--;

In claim 21, line 4, change "a" to --the--;

In claim 22, line 6, change "the" to --an--; and

Cancel claims 25-26 and 13-14.

This application is in condition for allowance except for the presence of claims 25-26 and 13-14 to inventions/species non-elected without traverse. Accordingly, claims 25-26 and 13-14 have been cancelled.

It is further noted that claim 15 (corresponding to canceled original claim 1 which is being rewritten and amended) is no longer generic because claim 15 now does not read on all disclosed embodiments, for example embodiment of Fig. 13. Therefore claims 25 and 26 (corresponding to canceled original claims 11 and 12 which are being rewritten and amended) are not to be rejoined.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Art Unit: 2824

The prior art does not teach a semiconductor device, as required by claim 15, comprising a memory chip having first address bonding pads and second data bonding pads arranged in an opposed manner; a semiconductor chip including third bonding pads and fourth bonding pads arranged in an opposed manner; a package substrate having first bonding leads and second bonding leads corresponding to said first and second bonding pads; wherein the first and third bonding pads are connected in common to the first bonding leads, and the second and fourth bonding pads are connected in common to the second bonding leads; and wherein the memory chip and the semiconductor chip are stacked on the package substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Q. Tran whose telephone number is (571) 272-1885. The examiner can normally be reached on Mon - Fri 8:30 AM - 5:30 PM.
